90FUN Ultra Smart Running Shoes Manual

Maintenance instruction

1. Please select full-fashioned shoes when buying;
2. Avoid from water logging, sunshine exposure, roasting, chemicals and sharp objects, as well as direct sunlight, so as not to cause aging, deformation after cleaning, fading and mesh fracture;
3. Prepare two pairs of shoes for alternative use;
4. Make sure the fixed shoes are for a fixed purpose, for instance, leisure shoes are not suitable for strenuous exercise; indoor shoes are not suitable for vigorous exercise outdoors;
5. Please do take the XingChip out when cleaning. Do not soak, scrub or wipe the shoes; please clear the dirt by a piece of clean soft cloth and water, or by banister brush and neutral detergent; afterwards, put them in a shady and ventilated place for airing, avoid being under the blazing sun for quite a long time.

Important notes

1. Shoes damaged due to improper use or maintenance (such as, worn in a rainy day, water soaking, contact with acid, alkali, oil and sharp objects) are not in the scope of "Three Guarantees";
2. "Three Guarantees" will be invalid in case there is no "Three Guarantees" voucher or other effective certificates;
3. "Three Guarantees" is invalid if the "Three Guarantees" expires.
